

## Your SMART Repair® Cover

SMART Repair® Cover will ensure your vehicle remains in perfect condition, free from the inevitable damage caused by everyday motoring.

Cosmetic damage is not only annoying and unsightly, but has a direct effect on the resale value of your vehicle or will be the subject of costly penalties at the end of a contract hire or lease agreement when the vehicle is returned.

SMART Repair® Cover is a real alternative to having your vehicle repaired at a bodyshop!

### What is covered?

Bumper Scuffs	Scuffed Alloys*
Paintwork Scratches	Wing Mirror Scratch
Dent Removal	Stone Chip Repairs
Windscreens Chips*	Cigarette Burns*

\*Subject to cover level purchased

SMART Repair® Cover - Keeping your car in showroom condition

### Step by Step Booking Process

#### Step 1

Using the flat car diagram OVERLEAF, please ensure that the damage is on an eligible repair area, if you have any questions please call our Customer Service Team on **08000 321 067**.

#### Step 2

Using the circle diagram OVERLEAF, please assess the damage to your vehicle, Shine!® will need to know the zone size that covers the damage, this will ensure the correct amount of time for the repair is allocated.

#### Step 3

Contact Shine!® on **08000 321 067**, please have your vehicle registration number to hand, a date for the SMART Repair® to be carried out is then scheduled, this is typically within 21 days.

#### Step 4

For your increased security, a booking confirmation will be sent to you by email, please quote your vehicle registration in any future communication.

#### Please Remember

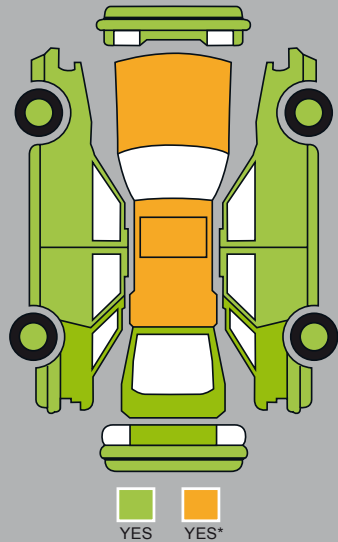

- There is an excess of £25 payable per single area of damage
- There is a maximum claim limit, subject to the cover level purchased
- On the booking date, a signature will be required before and after all repairs
- Repairs are typically completed in a single day and are guaranteed for 3 years
- Any damage outside Zone A is NOT considered to be 'Minor Cosmetic' and therefore not a SMART Repair

## Eligible Repair Area Guide

\*Damage will be weatherproofed and disguised only

©2009, Take the weekend off Ltd. Registered in England No. 4824792 - All Rights Reserved January 2009 edition

Use the above guide\* to describe your repair when contacting us.

#### Please Remember

- Shine!® will need to know which zone size the damage covers
- Scratch or scuff damage that covers more than one panel e.g. door onto wing, are two repairs
- Alloy wheels that are chrome effect, diamond cut or split rim finish are not available

- Your vehicle will be required for a minimum of 4hrs per repair
- At your chosen location, space will be required for two vehicles to be parked side by side
- All damage is subject to final approval and acceptance by a Shine!® Technician

\*Damage exceeding this guide is considered not to be 'minor cosmetic' and therefore not a SMART Repair®.
